DAY 1 – SUNDAY, OCTOBER 20, 2019

ARRIVAL / REGISTRATION

10:00 AM

Mix & Mingle

2:00 PM – 3:00 PM

FH GLOBAL SUMMIT BEGINS

3:00 PM - 5:30 PM

Welcome

Katherine A. Wilemon

State of FH Care in the U.S. and Why This Matters for Public Health

Diagnosis Rates, Unintended Consequences of Lack of Diagnosis, Lack of Treatment
Including Data From the CASCADE FH[®] Registry, FOCUS Data

Joshua W. Knowles, MD, PhD

Living with FH

Kate Robinson

Opening Keynote Address

Catherine Boileau, PharmD, PhD

Discussion

*Catherine Boileau, PharmD, PhD; Daniel J. Rader, MD; and
Anne Tybjærg-Hansen, MD, DMSc*

OPENING RECEPTION with Scientific Poster Presentations

5:30 PM – 7:00 PM

DAY 2 – MONDAY, OCTOBER 21, 2019

BREAKFAST

7:00 AM

FH GLOBAL SUMMIT BEGINS - WELCOME

8:00 AM

Recap of Day 1 and Introduction to Day 2

Daniel J. Rader, MD and Anne Tybjærg-Hansen, MD, DMSc

Session I : FH: Prototype for Precision Public Health

8:10 AM

What is Precision Public Health and How Does FH Fit?

Muin J. Khoury, MD, PhD

Heart Disease Prevention: A Public Health Perspective

Rear Admiral Betsy L. Thompson, MD, MSPH, DrPH

Challenges and Opportunities for Integrating FH into State Public Health Programs

Debra Lochner Doyle, MS, LCGC

Moderated Discussion

Session II : Precision Targeting and Screening to Find FH

9:10 AM

Implementing FIND FH® in Large Healthcare Systems

Daniel J. Rader, MD

Finding FH and the Million Veterans Program

Peter W. F. Wilson, MD and Yan V. Sun, PhD

Moderated Discussion

BREAK

10:15 AM

Session III : Precision FH Care

10:45 AM

LDL Polygenic Risk Scores in Practice

Anne Tybjærg-Hansen, MD, DMSc

Modifiers of the Penetrance of Familial Hypercholesterolemia Mutations

Sekar Kathiresan, MD

Multiple "Omics" Today and Tomorrow

Eric J. G. Sijbrands, MD, PhD

Moderated Discussion

GROUP PHOTO

11:55 AM

LUNCH

12:05 PM

Session IV : Global Predictors of FH Care Success

1:05 PM

Implementing FH Care—Perspectives from the “10 Country Study”

Raul Santos, MD, MSc, PhD

Session V : Patient-Driven Healthcare in the Real World

1:35 PM

Prevention in Youth: Are We There Yet?

Laura L. Hayman, PhD, MSN

Statin Adherence and Its Consequences

Fatima Rodriguez, MD, MPH

Disparities in Care

Laurence S. Sperling, MD

Individual with FH Perspective

Sandra Murphy

Moderated Discussion

BREAK

2:45 PM

Session VI : Healthcare System Behavior Change — Can It Be Done?

3:05 PM

New Data: Primary Care Knowledge in the Americas

Rodrigo Alonso Karlezi, MD, PhD

Bridging Pediatric and Primary Care

Amy L. Peterson, MD

Science, Policy and Behavior: Necessary Ingredients for Changing Care

Nanette K. Wenger, MD, MACC

Moderated Discussion

BREAK

4:10 PM

Keynote: Bridging the World of Medicine and Population Health

4:25 PM

Kirsten Bibbins-Domingo, PhD, MD

Moderated Discussion

Session VII : Hope and the Promise: Global Call to Action

5:00 PM

Samuel S. Gidding, MD and Jasmine Patel, MPH

Wrap Up / Adjourn

5:15 PM

CLOSING RECEPTION with Scientific Poster Presentations

5:30 PM – 7:00 PM

**Please note that the schedule of events is subject to change.*
